Our Fee Structure

Cost transparency is our highest maxim. For this reason, we would be happy to provide you with a binding cost estimate before starting our work.

As a rule, we bill according to the time required.

The hourly rate for our activities is between 180 and 300 EUR per hour plus any costs incurred and any sales tax incurred.

In legal proceedings, we are required by law to invoice at least the fees provided for in the Lawyers' Remuneration Act.

In addition, we draw up individual remuneration agreements such as flat-rate remuneration or specific consulting contracts. Talk to us about the right solution for your needs.
